

Head of Legal Services & Monitoring Officer – salary package £85,673

Looking for ‘Satisfaction’ from your job? ‘Wild Horses’ shouldn’t stop you from applying for this role.

Joking aside, at Dartford Borough Council we are enormously proud of our heritage (if you hadn’t guessed by now, Dartford was the birthplace of the Rolling Stones), and we work hard to make the Borough a place where our residents live good lives in strong communities. We are an authority who punches above our weight in terms of the ambitions we realise.

As **Head of Legal Services and Monitoring Officer**, working alongside Members and Directors, you will have a significant part to play in the success of our Borough.

As the Council’s principal legal advisor, you will use your passion, especially for governance, planning law and data protection legislation to help shape delivery of our ambitions and to ensure the best outcomes for Dartford residents. We’ll not constrain your passion for doing things differently, we have an appetite for both innovation and collaboration.

You will make a direct contribution with your own case load, as well as leading both legal and democratic services. You will also be the Council’s Monitoring Officer promoting and maintaining high standards of conduct.

If you are excited by how you can help shape the future for Dartford, then it’s time to start a conversation. To find out more about how you will fit in and the contribution you can make, contact Sarah Martin, Chief Officer & Director of Corporate Services on 01322 343402 sarah.martin@dartford.gov.uk or apply online at www.dartford.gov.uk/jobs

Closing date: 20th October 2023
